

THROUGH THE EYES OF WOMEN

KELLY BRANHAM

EMILY NAFF

SHARON BROWN CHRISTOPHER

PAM HAWKINS

MARY RICE

SUE HENRY

SUSAN HAY

Seven women;
seven pairs of eyes;
seven different
perspectives on
the world.

Through the photography of these women one can see the realities of life and at the same time see their vision of what the world might be. Their art shares with the viewer a reflection of beauty and the sacredness of all images. In these seven women the creative spirit is at work.
