

Wisdom's Way

Embracing the Divine Feminine

..... WITH RABBI RAMI SHAPIRO

The first of God's creations, Wisdom, is the Mother of all life. **She** is God brought to life through passion, harmony, love, integrity, and joy. This workshop will clarify who Wisdom is, what **She** teaches, and how **Her** words can help you live justly, wisely, and with compassion through teachings embedded in the Holy Scriptures of Jews and Christians. It is designed for anyone who wishes to deepen their understanding of God and sharpen their awareness of God's presence within and around them.
